Property Description

Looking for a private retreat in the hills of Maquenco only fifteen minutes from Samara? Villa Tranquila is the perfect home for you. Beautiful mountain and jungle vistas, cool breezes, and diverse wildlife create a peaceful natural setting for this custom-built home with acid-stained interior flooring and gorgeous tongue and groove Pachote and Melina ceiling with recessed lighting. On the first floor, there is a large master bedroom, bathroom with a tub and dual showers, and a walk-in closet with ample storage space. An adjacent second bedroom also has a walk-in closet and private terrace. The second bath has a walk-in shower with a river rock enclosure and window to the private garden. Designed for individuals who love to cook and entertain, the kitchen has plenty of counter spaces, storage, and natural light. Concrete countertops, wood cabinetry with bamboo inset, and GE Profile appliances--including a five-burner gas cook-top--make the open kitchen and entertaining area visually appealing and functional.
