Property Description

Located in the charming south pacific town of Ojochal this newly built home is ready and waiting for your personal touch. The house is built to enjoy the outdoors with a large outdoor living and pool areas. The 2 bedroom 1 bath house wastes no space and is very easy to maintain with tile and hardwoods throughout. The land is very usable and would easily accommodate a nice sized orchard and guest house on its gently sloping hills. The landscaping had been in place for many months and is maturing nicely. Come see this house soon as it is the best one we have around 250k.
