Property Description

Luxury Residential Lot for sale in Los Reyes: Enjoy Costa Rica's excellent climate, beautiful mountains, green meadows, leafy trees, fresh air, and forest reserves. This gated community offers privacy, ample space and abundant nature. Nearby to the best hospitals and the best shopping – including a giant modern Multiplaza Mall and many entertainment options to fit all tastes and lifestyles. This lot measures 1034 Square Meters, it is completely flat, and the price is \$199.990 (\$193 per Square Meter). The lot comes with the design and floor plans to build a beautiful two levels house. This is included free! All single family homes in the community are built to the specs of each home owner, so you can find one story and two story homes and homes in different price ranges in the different communities within Los Reyes. There are quite a few luxury homes built on double lots, all with regulated setbacks and green fences to keep the harmony of the community but you will also find townhouses.
