Property Description

Casa Guapa is located near the Del Mar Academy in the L section of our beach community here in Nosara. This new home was recently built by a local artist who has mixed a passion for Spanish art and jungle vibe into this spectacular home. You will find detail in every corner of this unique home. Entering the property you are greeted with a large open front yard area providing room for a private pool or a beautiful lawn area or your own personal garden! Lounge on the front patio and enjoy the sound of the monkeys and jungle as the afternoon fades. Upon entering the home to the left is a comfortable sitting room and stairs to the second floor. Under the stairs is a fantastic kids workshop! There is 1 spacious bedroom on the bottom floor and view out to the backyard. To the right, after entering the home you flow right to the kitchen area that opens to a large patio with double doors allowing the living room & kitchen out to the patio and yard area.
