Property Description

With gently rolling topography, located up at elevations of over 1,000 feet this 400 acre farm has over 60% of the entire acreage planted out with 2 different varieties of African Palms that are serious income producing crop. Farm has approximately 7 km of internal gravel roads with drainage, electricity, farmhouses, bodegas, horses, tractor, several year round springs, all the necessary equipment needed for cultivation an harvest of the palm. There is a man made lake and recreation area surrounded by fruit trees and ornamental plants. The views are incredible overlooking the Coto Valley, and a very sirene setting, with easy access to Rio Claro, and Port of Golfito is within 35 minutes where you have access to full service marinas, restaurants, sportfishing, and the entire playground of the Golfo Dulce.
