Property Description

Tranquility, Comfort and Location. Amplitude, comfort, luxury and functionality to your style. This is a spacious and functional apartment with open spaces to suit your particular needs. Bedrooms, office, recreation areas, space for gym or multimedia room. You decide how to distribute the space with wide architecture with interconnected spaces. With three façades, multiple windows and six balconies, always have a source of natural light, which gives luminosity to the condominium and allows you to enjoy the nature that surrounds the building. Despite being in an area of high urban development, the building is surrounded by trees and nature, which isolates the noise and bustle of the city. Perfect to relax and get away from it all after a day of work or a long journey. The condo has an area of 350m2 and is half a floor of the building. It has three sides and each offers a beautiful natural view of trees and native vegetation of Costa Rica.
