Property Description

Jardines de Palma Real #225 is an elegant three-bedroom villa in Hacienda Pinilla, an exceptional gated community near Playa Tamarindo on Costa Rica's pristine Pacific coastline. The villa is just a short walk - exactly 750 yards - from an unforgettable beach. With a spectacular beach side golf course, tennis courts, an equestrian center and other superb community amenities, Hacienda Pinilla is the perfect location for families to enjoy the best Guanacaste has to offer in a secure neighborhood. Jardines de Palma Real is one of only a few beachfront projects within Hacienda Pinilla. The villa's owners have invested substantially in new furniture, upgrades and maintenance throughout - it is in pristine condition and ready for new owners to move in upon closing. The residence is extremely spacious both indoors and out - high ceilings and an ample floor plan create an open, airy feeling inside, while a huge patio downstairs and terrace upstairs both wrap around the residence, providing enormous outdoor spaces.
