Property Description

Gorgeous 10,000 m2 property (2.5 acres) with valley and jungle views. Located in the foothills of Villa Real less than a ten minute drive to Playa Tamarindo. The property includes 1,400 Sq. St. home in the gray stage of construction. Casa Encanto is designed as a two bedroom two bath home with a study that could be converted to a third bedroom. Cost estimates for completion have been made by two local and well respected contractors. The estimates came in at \$68,000 to \$74,000 respectively. To be safe consider \$100,000 to compete. For less than \$250,000 you could have a new home on a fabulous 2.5 acre lot within close proximity of Playa Tamarindo! This is perfect for a buyer who might consider building but is apprehensive about taking on a full blown start to finish project. In the case of Casa Encanto, you are more than half finished the day you begin! Great fire sale opportunity, come for a look!
