Property Description

Single Family Home with independent office. This home has a unique design, it has an office attached with separate entrance. On the first floor there is a spacious living and dining room with great lighting, sliding doors giving access to the terrace and BBQ area, respectively, both areas are roofed; the BBQ area also with a full bathroom. The first floor also has a visitor's bathroom, an office and gym area that can be converted into an apartment, TV room or Playroom. The office is bright and airy, it also has access to the backyard of the house. On the second floor, there are four bedrooms: the master bedroom is very spacious and has a large walk-in closet and private bathroom with a bath tub and a large balcony that looks out to the backyard and Santa ana hills. The other three bedrooms have closets, balconies and share a bathroom. Finally, the roof of this beautiful house is covered with made clay tile, providing a cooler environment to the entire house.
