Property Description

Comfort, luxury and security in a prime location. This house features the finest finishes and elegant architecture in a high-security gated community that has been designed thinking about the needs of today's family. The community has a gated, guarded entrance, perimeter wall, security cameras closed circuit television, motion sensors and alarm systems in every home for peace of mind. The house is on two levels. On its first level there is the wonderful, large and open kitchen with granite counter top, an island, tons of cabinetry and an auxiliary dining area; a pleasant large living room overlooking a terrace and large garden, powder room, office, laundry area, maids bedroom with a full bathroom and BBQ area. The second floor consists of 4 large and comfortable bedrooms each one with its own bathroom, walk-in closet and air conditioning. The common areas are: a club house for parties and activities, playground and a 70m2 heated pool.
