Property Description

This shipping container property, located a short five-minute drive from the world-famous surf break at Playa Negra, is the perfect "starter's kit" for building a dream home here in Costa Rica. The location is ideal; the lot is nestled in beautiful Costa Rican tropical forest in a quiet community where little traffic will affect your quality of life. Yet the property is just a few minutes away from a paved highway and within a quick drive to some of Costa Rica's best surf. Playa Negra is the nearest spot and just a few minutes down the road; Playa Avellanas is a 15-minute drive away and Playa Tamarindo is 40 minutes up the road. The container is currently livable, with a working kitchenette and bathroom. Utilities are already installed and functioning. It sits atop a pleasant knoll rising away from the road - the view from the container looks into the canopy, where you will enjoy daily visits from howler monkeys and countless species of tropical birds.
