Property Description

Ideal for the Nature Lover.. This outstanding property consists of a main house plus a separate caretaker cottage surrounded by the rainforest and abundant wildlife. There is nothing like waking up in the morning to the gentle sound of birds chirping and stepping out into the patio to enjoy coffee looking out at you own private patch of tropical forest. The main house has 3 spacious bedrooms, 2 baths, and open living area, with lots of natural light. The master suite features a large walk-in closet and master bath with custom cabinetry, his and her sinks and large shower. The 2nd bath also has custom cabinetry plus an over size shower which is wheelchair accessible. All cabinetry, doors and windows have been custom made of hardwood by a local craftsman. The kitchen is "chef friendly" with ample storage, 3 large windows to view out into the yard and breakfast bar. There is an oversize two car garage, with an electric opener, work shop area and storage space.
