Property Description

This is a great five story building for sale in the heart of Tamarindo. The building also has a basement and a rooftop bar with expansive ocean views out to Captains Island, the moored boats, Playa Grande, and the entire Tamarindo Bay. The total construction here is 17,000ft². It is currently all rented out and earning a healthy revenue. This building will be a gem in your investment portfolio as all rental contracts are currently from three to ten years including a national chain grocery store. The owners have expressed great interest in financing the purchase at an unbelievable rate for Costa Rica with only 25% down, 30 year amortization at 5%, and 20 year balloon. This is a spectacular opportunity for a turn key and, essentially, hands off business.
