Property Description

This newly completed unfurnished 2800 sq ft, 3 bedroom, 3 bath custom single floor plan home boasts incredible ocean views! A totally open floor plan with vaulted teak ceilings and inlaid tile work add to the drama of the impressive modern architecture. The entire home is filled with bright tropical light and breathtaking vistas due to ceiling to floor window walls. An indoor waterfall adds to the ambiance of luxury. The large kitchen is fully equipped with granite countertops, stainless steel appliances, hardwood cabinets, and an oversized pantry. The open floor plan and large island counter facilitate pleasurable cooking and entertaining experiences. This spectacular home features a private master suite with dressing area and en-suite bath with private entrance to the pool and large jetted Jacuzzi. There are two additional bedrooms and baths. All three baths fitted with beautiful tiling, rain shower heads, double vanities, and tubs.
