Property Description

Residence in a gated community, with 1.25 Acre (5070 M2) of land and 2700 sqft (252M2) construction. Walk in to a bright and open living space with ample windows that allow you to enjoy the natural beauty that surrounds. In the kitchen, there is an island with granite counter top to complement the dark wood cabinetry. The dining area opens to a back porch which is ideal for entertaining, then a few steps lead to your private back yard. The master bedroom has amazing views and it has a walk in closet and a full bath with detailed tile work. Next to it, there's another bedroom with built in closets and another full bathroom. It has another small house next to the main house, with one bedroom and a full bathroom. This property has plenty space for parking. The project has, perimeter fence and electric fence, great views and privacy with a single paved access road; it is close to the airport, schools, etc.
