Property Description

Nestled in the hills of the pueblo of Delicias just east of Playa Garza, Casa Quetzal is the perfect place to enjoy the country side of Costa Rica while having easy access to numerous beaches. With over an acre of land there is plenty of room for additional structures or just enjoy a huge jungle backyard that guarantees your privacy. A well appointed kitchen and living room area opens up to the back covered porch overlooking a spacious pool deck for lounging in the afternoons and listening to the howler monkeys in the jungle. Three nice sized bedrooms, one with en suite bath and the other one with a shared full bath all with air conditioning and ceiling fans. For an added element of security there is an alarm system for the property. As for location, the property is a short 5 minute drive to the fishing village and white sand beaches of Playa Garza. Enjoy seafood as fresh as it gets, snorkeling on the reefs, offshore fishing and surfing the outer reefs.
