Property Description

Opportunity to own acreage within 8 minutes of Tamarindo. The main home sits on a hilltop with 2.72 acres of land and a guest house further below on the property. Lots of privacy, space, fruit trees, pool and outdoor living space. You can subdivide this lot, or you can build guest bungalows for rent. Flat, build-able, well maintained land. There's plenty of room for privacy and for multiple homes here! This is the perfect space for horses and a small stable, with riding trails in the surrounding neighborhood. This style home offers amazing indoor/outdoor living. The kitchen's large window opens up to the pool 36 X 20 ft and lounge areas and is perfect for entertaining. There's lots of white smooth concrete and a variety of local and imported wood in the house and a very tropical feel. There's an office off the kitchen which could be turned into a 5th bedroom or maids quarters. Large closets in the bds, ceiling fans and ACs in every room.
