Property Description

BOCA DEL TORO BEAUTY - SPECTACULAR OCEAN VIEW Perched high above Carrillo with a spectacular view of the coastline, Boca del Toro Casa A1 is ready for you to move in. The house is more than 1,740 square feet and has a pool with a beautiful ocean view and a garage large enough for two small cars or one big car and a Quad. The property is more than 5,200 square meters (1.3 acres). The entire area around the house is fenced and the entry from the road has an electronic gate with remote opener. The design of the house is very comfortable with two master suites, one on either side of the large main living area and kitchen. Each bedroom has a large full bath with walk-in shower, and there is also an outdoor shower in the pool area. The pool is a nice size with lots of deck space connecting to a large covered porch spanning the entire rear of the house, creating a very nice outdoor living area with a gas barbecue grill for those great afternoon cookouts.
