Situated on one of the prime ocean view lots in Montana is Casa Tranquila, a beautiful custom-designed, built, and maintained 3-bedroom, 3.5+ bath home that offers you mature landscaping, gardens, fruit trees, ocean breezes, a refreshing pool, plus spacious indoor and outdoor entertaining areas. Enjoy daily visits from "the neighbors" (monkeys, toucans, and other varieties of tropical birds and wildlife). The main entry welcomes you to the large kitchen, living, and dining area. The soaring wood ceiling is over 30' tall, enhancing the views in every direction. All on one level, short hallways with natural light lead to the 2 large en-suite bedrooms (both with beautiful views of the surrounding natural setting), and the easily accessible laundry and storage areas.
