Property Description

REDUCED by 300K....MUST SEE! Welcome to true Paradise. This is a turn key Gem that you will not find again. The home is located high in the mountains of Grecia where you will find privacy, panoramic views, and cool weather. The owners are very detailed and have kept this property manicured for 13 years. This is a unique construction and design. You will find 9 bedrooms with 6 full bathrooms and 2 half baths. On the first floor you have the entertainment area which provides endless possibilities for your personal needs. Currently it is used as a pool table room and an area for a maid's quarters. This space can be used for a kid's play room, office, guest bedrooms, storage, home theater, or a bar and entertainment room. Also, the 3 car garage which gives access to the main stairs. The second floor has the living space, an office, and a suite for someone who wouldn't want to use the stairs as frequent.
