- Parking Spaces

Property Description

Enjoy this charming home in a small community, a boutique neighborhood made up of only 7 homes. This modern ocean view home is tucked away in green mountains of Coco, yet it is still close enough to the beach, restaurants, and all amenities. One bedroom can be found on the first floor, next to a bathroom, with nearly floor to ceiling windows allowing for incredible views, lots of natural light and quick access to the pool and backyard. The master bedroom is located on the 2nd floor with an en suite bathroom and large walk-in closet. It also has a private door which can access the outside patio and pool via stairs. This home is absolutely perfect for bbq's and entertaining, just open both glass doors on the first level to expand and combine indoor living with outdoor living, just as it should be in Costa Rica, then relax and enjoy! The house comes fully furnished and equipped, so it is absolutely turnkey.
