Property Description

Residence in a unique and private project, with 300 M2 of land and 167 M2 of construction with parking for two cars. Walk in to a bright and open living space with floor to ceiling windows that allow you to enjoy the natural beauty that surrounds. There is a island and counter with fine finishes and top quality dark wood cabinets. The dining area opens to a front porch which is ideal for BBQs. On this level there is a half bath, pantry, laundry area with drying rack and a storage closet. Heading upstairs the master bedroom has amazing views that will not be obstructed in the future and a terrace. There is a walk in closet and full bath with detailed tile work. One the other side there are two bedrooms both with built in closets and another full bath. The project has underground utilities through out, security cameras, perimeter fence and electric fence, great views and privacy with a single paved access; near the airport, shopping centers, schools and universities.
