Property Description

Located on the road that leads to the town of Santo Domingo, this property features a house of block and concrete construction, with a rustic-traditional flair and a rancho that has a large capacity. Initially used established as a typical Costa Rican restaurant, this property enters the market in its residential form, being able to be added, modified, remodeled or simply used in its current state as a residence. Surrounded by the beautiful jungle and mountains makes it especially attractive for those people who are looking for their perfect place to reside and at the same time, have flexibility to use the adjacent lots (3 platforms in total) suitable for the construction of more houses or apartments. The offered view is a fantastic panorama, in an atmosphere of privacy and unique comfort that the place offers. On its lower part this property also feature large spaces with lots of trees and a stunning view of the surrounding jungle.
