Property Description

Nikori Riverland Tamarindo is a unique and exciting new gated community developed by Nikori Lifestyles. It is comprised of 62 detached single family homes, situated on individual, fully titled lots, with a community center, pool complex, restaurant, workout facilities, shared workspace, and full range of concierge and property management services, as well as "shared" driving of vehicles when you are in residence. There are less than 20 homes unsold and available at this time, and these are selling out quickly. The homes are being pre-sold now, with delivery in mid to late 2023. These brand new homes are 1 or 2 stories, designed with a modern Costa Rican vibe, approximately a 10 minute drive to Tamarindo beach, and just over an hour from Liberia International Airport. Select a single level 2 bedroom home design at \$399,000, a 3 bedroom two-story home at \$449,000, a 4 bedroom two-story design at \$499,000, or a fabulous Duplex 4 bedroom design at \$549,000.
