This is where dreams come true! This beautifully maintained Mediterranean style luxury ocean view Villa has a sparkling pool nestled within it's own private courtyard. The classic "Langosta" architecture features beautiful native wood ceilings and trim throughout the charming 3 story townhome. Entering the Villa, you are welcomed into the living room and dining areas with light from the many teak-trimmed windows. The spacious kitchen is well equipped for your every convenience, and has recently refinished stone counter tops, a brand new "farmhouse" kitchen sink, and a new downdraft cooktop. The stainless steel refrigerator, oven, and microwave complete the upscale look and feel. There is a convenient half bath on this first level, with a pantry and stacked washer and dryer. Two large bedrooms grace the second level, each with ensuite baths. The stunning ocean view from the 3rd floor master suite and spacious balcony deck, finish this lovely townhome to perfection.
