Property Description

Just 10 minutes from bustling Tamarindo's "Endless Summer" vibe and white sand beach, this amazing Palmas De Tamarindo second floor condo is the very best in the complex! Centrally located, this gated community is only 45 minutes from Liberia Airport, and the same distance from the provincial capital of Santa Cruz. Sellers are the original Owners, who purchased two units and had them combined by the developer, creating one fabulous living space. There are 3 full bedrooms, 3 baths, a spacious den/office, with two generous balcony decks overlooking the magnificent resort-style pool and spa. The master bedroom has an ensuite bath and a generous walk-in closet. Both the second and third bedrooms also have walk-in closets, an almost unheard of luxury here in Costa Rica! The laundry room has a stacked washer/dryer and loads of storage space. This unique condo is located in Tower E, the only building in the complex designed with a porte co·chère for cars to pull in out of the rain for passenger's comfort.
