Property Description

Nestled within the tranquil and low-density Tierra Pacifica gated community, Casa Calma offers a peaceful escape to the gorgeous Guanacaste countryside. Surrounded by Costa Rica's forested hills, this spacious and beautifully furnished home is perfect in many ways. Its fresh, modern and tasteful style are welcoming and on-point in 2023. The screened-in porch is the ideal space to enjoy beautiful views all day; the porch itself can be opened to the main space or closed off using accordion doors. The home flows harmoniously; even the walk-in pantry is a spot-on feature for those who love to cook. The icing on the cake is that you can enjoy access to Tierra Pacifica's multi-tiered pool, tennis court, yoga room, and gym. Tierra Pacifica is one of the few places that developers have followed through on an ecological commitment, with just 75 lots on 220 acres, providing a very low-density development.
