Property Description

Incredible opportunity for individuals interested in running a business in the eclectic, bohemian beach town of Montezuma. A vibrant place along beautiful pockets of the coast line within the Gulf of Nicoya. This jungle paradise is filled with nature, magic, and community. One of Montezuma's signature places where a vibrant mix of nourishing cuisine, live music, and a joyous atmosphere blend together to create an unforgettable affair. Orgánico Café has been a key component of the town's ambiance and attractions for over 12+ years. It has filled the streets with music and celebrated all forms of art for all to enjoy. The current business owner has created a stage where each and everyone is welcome to share their talents. A place with expression is a core focus. This in turn has attracted large and lively crowds, both local and international, to come together in a space to dance, sing, and enjoy themselves.
