Property Description

Amazing 3-bedroom, 2.5-bath townhomes. Complex with a swimming pool, air conditioning, and 24/7 security. Prados del Río is a gated development in Comunidad, near the crossroads where the main highway between Liberia and Santa Cruz intersects the road that leads to Playas del Coco. Two bedrooms upstairs have queen beds with en-suite bathrooms, and a third bedroom has a twin bed. Bathrooms have granite sinks and hot showers, and there's also a half-bathroom downstairs. This unit is located about 15 minutes from the international airport in Liberia, and about 20 minutes from the booming beach towns of Playas del Coco and Playa Hermosa. Every convenience you might need is within a short drive, including grocery stores, hardware stores, gas stations, banks, pharmacies, and medical clinics. Comunidad is also a short drive from an array of beautiful, secluded beaches that you can explore with a rental car, and near here you can find ziplining, ATV rentals, horseback riding, and just about any other adventure you can think of.
