Property Description

This large farm has outstanding views of the Gulf of Nicoya, over (700) Pochote trees. There are three established home-sites with views on the property. There is a year-round natural stream and access is by a year-round public dirt road. This fully titled property is completely fenced and has public electricity and muni water on the border of the property. This is an ideal site for a majestic estate property or full a development of several residential lots.
