Property Description

This residential complex combines luxury with a deep connection to nature! Encompassed by the jungle and the ocean, this is a unique opportunity not worth passing up. The project includes eight houses; 5 houses in phase A and 3 additional houses in phase B. This complex will be an independent-gated community. Security will include fenced in areas and an electric gate. Each of the houses in the project have an indulging construction specification that gives a luxurious finish to each structure. Including, but not limited to: an independent pool with ocean view, decked balconies, large and elegant kitchens, and modern showers with a spectacular view. There are two different types of structures to choose from; A) 95 m2 house at \$420,000 ORB) 61 m2 house at \$315,000.
