Property Description

This is a great location for a wellness retreat, income property (long term or vacation rentals), eco community or simply a place to relax with family and friends. We all have our own version of what paradise is to us. Come hike the property, and let your imagination run wild! Each structure has been designed for minimal impact on the environment while making the most of the views and natural cool breezes from the mountains and jungle. Tucked into the existing landscape each unit offers a private and tranquil space. The 11 acre property is located at 1300ft above sea level. At this elevation you will fall in love with the perfect climate, the lush jungle and the view of the bright blue sky and the dramatic clouds coming down into the mountains in the distant view from the property. A true rainforest view like no other! This unique property is on the mountain of Lagunas just a short drive from the popular surfer beach town of Dominical where you will find a relaxed town with great shops and restaurants, and beachside bars.
