Casa Sonrisa is situated on a 1/4 acre, 1000m2 lot and it faces the beautiful western mountains. Evenings are enjoyed watching the sky mold into pinks, oranges, blues, and purple hazes. The house was designed in an L shape, wrapping around the pool with a grassed backyard area to maximize the outdoor space. The entire property is gated and has 8-foot limoncello plants around the perimeter for privacy. The flooring is made of marble from Italy. The kitchen countertops are made of quartz.
