Property Description

This exceptional income property for sale in Costa Rica sits amidst 25 hectares (62 acres) of pristine forest in the higher altitude of the South Pacific. The vast property has three upper course rivers flowing through it with pure, refreshing mountain water, and three waterfalls! It is truly a natural paradise with fresh temperatures and plentiful resources that make sustainable living a real possibility. This well-known retreat center in Tinamastes was developed with the vision of creating well-being by taking advantage of the extraordinary energy of the place but the potential for this incredible location goes even further beyond! Located high in the mountains of the evolved international community of Tinamastes, this well-groomed property has a huge potential for someone with a vision for a brighter future that they want to share with special guests on this multi-home sustainable living property.
