Property Description

Elixir of Love is a new project of unique luxury villas, characterized by a Mediterranean-tropical style. Everything we build is unique just like this wonderful villa because, like old craftsmen, we always work to create a one-of-a-kind masterpiece into which we pour all our passion. It's a work of art, designed to fully enjoy a tropical lifestyle with open living spaces, and precious gardens surrounding the villa, with swimming pool and jet tub. This 3bd/3.5 bth villa is a gem designed in authentic Mediterranean - Italian style with a tropical touch. The home is designed to be original, a result of the luxurious Italian artisan culture and tradition, a home that perfectly mixes style, quality, and elegance.The project is in an idyllic location on a quiet road, where you'll enjoy peace and tranquility but also have easy access to the main road that connects Tamarindo to Playa Flamingo. Its location is very close to the best schools in the area, close to cafes, supermarkets, and is the perfect home-base for visiting marvelous beaches such as Bahia de Los Piratas, Playas Conchal, Grande, Potrero and the famous Playa Tamarindo.
