Property Description

This property is located between Uvita and Ojochal in a small community called Piñuelas. This lot has a really nice topography, where most of the property is usable, with a nice gentle slope where you can build your dream home and enjoy the beautiful ocean view, the Cano Island and Ballena rock with amazing ocean breezes. The land has a few fruit trees like banana, mango and plantain. It is clean and ready for you to design your garden with plants and more trees.The property is about 7 minutes from the highway and it takes 10 minutes to drive from the entrance of the highway to either Uvita or Ojochal. The location is definitely a highlight because you can enjoy both towns and their beautiful beaches, restaurants and amenities with a short drive. Uvita has become the tourist and adventure tour hub of the Costa Ballena region. The town offers several tours ranging from whale watching to horseback riding.
