Property Description

Located in the heart of North Guiones, an easy walk to the beach, restaurants, and shops, Casa Nambi offers two one-bedroom apartments (Tierra and Cielo) and a treehouse (Arbol) in a tucked-away tropical garden with a pool. Enjoy sounds of howler monkeys, tropical birds, rustling bamboo, and surf just beyond the wildlife reserve. Watch the sunset from nearby Guiones Beach, or stay in and watch the sky change colors from the tree-level sun deck. Casa Nambi, built in 2018, offers comfort, efficiency, and up-to-date amenities. The units may be rented individually or together. Arbol at Casa Nambi offers a traditional Costa Rican vibe in a glamping jungle treehouse setting. Just minutes on foot to the beach and shops, yet well-shaded in the back gardens, the Arbol treehouse is your front-row seat for viewing birds and wildlife passing through the canopy above. A stairway leads to the airy terrace and bedroom.
