Property Description

This furnished 1-bed, 1-bath condo is a perfect worry-free vacation home, and it can easily be rented out while you are not here – the management team takes care of everything! The condo is located in the beautiful seven story Naxos condominium building in Langosta. It boasts the highest end finishings. Included in this wonderful condo are a full granite kitchen, all furnishings, and central air in the unit. The condo has a lovely balcony. It is only on the second level so you have the caveat of easily going up the stairs if you are in a rush. This unit also comes with an underground parking space for those rainy days. This 7-story condominium complex is part of the larger Naxos Resort. Residents and guests here enjoy amenities like a community pool, a solarium, various social areas, and underground parking. Plus, there are all kinds of wildlife in the trees that surround the property. From your terrace, you might see iguanas, pizotes, howler monkeys and exotic birds.
