Property Description

The house is located in a residential area with very good security, it has a garage for two indoor vehicles and three outside. It has beautiful views of the city and has three levels. On the first level there is a spacious room with windows to the terrace and the social area and a half bathroom for visitors. The kitchen is independent and has a dining room, there is also the service room with its respective bathroom and the laundry room. In the patio there are two good-sized cellars. The social area of this house is very nice as it has a swimming pool with a jacuzzi, a BBQ area with a kitchen and a bar, as well as a large window from which you can see the entire city and the mountains. There is also a loft that has a full bathroom and sink, this is perfect for hosting visitors. Half a level up is the spacious main room with a balcony from where there are very nice views, it has a walk-in closet and a bathroom with a Jacuzzi and shower, from here there is also access to a cellar.
