Property Description

The request we most often hear is for privacy, abundant land, nature and wildlife and a view. Well here it is and it includes a beautiful home all ready for you and your paradise dreams. This 2 bedroom, 2 bath home sits on top of a hill and encompasses over 5 acres of land (22300 meters) all of which can be accessed via two existing roads which provides a perfect opportunity for sub dividing should you choose to do so. Take advantage of the convenience of single level open floor plan living, perfect for entertaining or, sit out on the front patio with a coffee enjoying the tranquility of the property. The home has a garage under as well as a secure separate bodega. This home is move in ready and is truly a gem amongst the natural expansive setting. Or, add your own touch by expanding via a second floor allowing you to take advantage of the views as seen when standing on the roof top level covered patio.
