Property Description

This beautiful lot is located in the exclusive residential area of Samara Woods (#28). Nestled in the jungle, it offers a great view of the surrounding valley and jungle in a private, tranquil setting. The lot is located on a small mound with a completely flat natural platform of 862m² - perfect for a modest home. It has direct access from the central street of the residential zone and access to basic services like electricity, and water are granted. It's location combines the best of easy access to amenities in town and proximity to Samara Beach and other surrounding beaches with the peace and quiet of being outside of the town center. For further information and site visits please contact us today.
