Property Description

Far and away the finest 2BR / 2BA condominium in the Las Palmas urbanization in Playas del Coco! Pride in ownership drips from this duplex villa-condominium and its surrounding common amenities that include a huge swimming pool, lush tropical gardens, covered rancho - with sink, laundry facility, and bathroom - and parking area. Every detail is perfect inside and out! Unlike other "apartment style" two-floor condos in the area, this one-story, free standing duplex villa has a peak roof that allows for lofty, high ceilings indoors. No one lives above you, and no one below. The 72m² / 775ft² floor area feels much larger with the high ceilings and ceiling fans. But if you need some A/C on a hot day there's plenty of that too. The kitchen and living area flow together, yet still feel separate. Granite counter tops, custom cabinets, new stainless-steel appliances, and leather and carved wood furniture give this gem a understatedly sophisticated vibe.
