From here you access one of two master bedrooms with in suite master bath. This bedroom has its own private garden area which is easily accessed by sliding glass doors. Continue down the hall to a small living, two more bedrooms (each accesses a large covered joint spanish tile terrace) equipped with a pair of twin beds each, full bath, the laundry room and the garage. There is also a private indoor/outdoor garden here with a lovely little water feature. Upstairs you'll find a bright and enormous granite kitchen with custom tropical wood cabinets. There is a lovely living and terrace for barbecuing. The main master bedroom and bathroom are located here as well. The master has its own spanish tiled covered terrace. The community Tierra Pacifica is a jewel in this tropical dry forest.
