Property Description

Welcome to Casa Ambar, a fully turn key new 3 bedroom home situated in a quiet residential community in the Los Jobos area just a 5 min drive to Tamarindo beach and the plethora of amenities this tourist town offers. It is also a 5 min drive to Villarreal giving you easy access to the rest of the airport, other beaches, schools etc. This home was completed only last July. It was designed to incorporate modern styling with lots of light and spacious room while ensuring that the Tropical feel of Costa Rica remains in the form of local hardwood teak, palm and banana trees and of course, monkeys in the trees! The community here consists of 6 homes which are all single family homes. There are no HOA dues here. The entry has an electric gate and a wonderfully pretty green wall of the local plant Limoncillo on both sides. Once the hardwood teak gates are open, you enter the parking area where there is ample room for 2-3 cars.
