Property Description

Villa Solo Noi is the epitome of Pura Vida living! Enter through a custom glass and black wrought iron door to a modern tropical Paradise! Window walls disappear, effectively erasing the line between indoor and outdoor spaces. Move from the cool, relaxing living room and modern kitchen straight to the patio with its own spacious living, dining, and kitchen areas. Back inside, large neutral porcelain floor tiles carry throughout this brand new 4000 sq ft home--making the transition between rooms seamless. Rooms are bright and white with black accents but softened by local hardwood ceilings and inset lighting. A feature of the kitchen is its black cabinetry and waterfall-edge marble island with an exotic Guanacaste wood dining table for seating. Down a glass-walled hallway with a gorgeous metal etched design piece, you will find the main bedroom with its neutral and natural finishes designed to give you hours of rest and relaxation.
