Property Description

This amazing 3 bedroom plus maid quarters is located in a very quiet neighborhood in Herradura about a few minutes from the beach. Once you enter the property, you will be surprised by the privacy and superb wildlife surroundings as there are no neighbors in the backyard and it sits on a corner lot measuring 896.87 square meters (9650 sq feet). This Villa is all designed on outdoor and open space living. Once you pass the front door, you'll be amazed by the beautiful open area of the living room and kitchen that leads to the outdoor covered terrace with a dining room. The backyard huge deck is made from high quality composite material that goes all the way to the pool and covered rancho with a bar area and full bathroom. There is also a very well made synthetic grass area where you can chip your golf balls and play with the family. Second floor has the Master bedroom, with a private bathroom and a big walk in closet.
