Property Description

Welcome to your dream home in Esterillos Este, Costa Rica! This stunning three-bedroom modern eco-friendly container home is pre-construction and ready to be built. Nestled on over an acre of land with partial ocean views, this unique property is a one-of-a-kind opportunity for those who want to live in harmony with nature. The home is expertly crafted by Terraverde Construcción and features repurposed shipping containers, steel framing, and sheetrock interiors, creating a modern and stylish home that is both beautiful and sustainable. The exterior is finished with a concrete board and stucco finish, accented with teak wood for a touch of natural beauty. The interior design is thoughtfully planned with a spacious and open floor plan, allowing for plenty of natural light to flow through the home. The bottom floor features a fully indoor/outdoor tiled living space with a rock pool and garden, perfect for entertaining guests or simply enjoying a quiet moment in nature.
