Property Description

This spacious home features a great room with an indoor-outdoor feel, vaulted ceilings and kitchen with a large island. One of the main features is the ample deck area with a pool that connects the main house with a separate guest house equipped with two bedrooms, each with their own bathroom, a common kitchenette and a lounge area. Escape to your own tropical oasis at Tamarindo Park where you can live a life in harmony with nature. Inside Casa Matapalo, you'll find large windows that merge the spaces allowing you to feel completely surrounded by the luscious garden area that enfold this home. The space within the home feels contemporary, with a spacious open floor plan and a neutral palette.
