Property Description

Nothing says a luxury like this 5,400 square feet home, set in the mountains along Pacific Coast of Costa Rica and featuring incredible views of the Pacific Ocean and the new Flamingo Marina. Watch the boats sail in and out of the harbor from this gorgeous home! This 4-bedroom, 4.2-bath house welcomes its visitors through an enchanting gateway comprised of beautiful pavers, abundant flowers, and fountains. Upon entering the home itself, visitors are greeted by an impressive circular foyer with recessed alcoves to display artwork, a custom moon-shaped hardwood credenza, grand hardwood beams, and beautiful floor patterns made of slate and river-rock granite. The home features a top-of-the-line chef's kitchen, including GE monogram appliances, a 36-inch cook-top with 4 burners and a griddle function, a double oven, a warming drawer, a wine fridge, stunning river-rock granite countertops, a breakfast bar, and custom integrated wine storage.
