Property Description

Luxury Condo with the feel of complete privacy while overlooking the ocean & private pool located in the exclusive gated Mariner's Point complex in Playa Hermosa. Although this unit is classified as a condo it is more like a villa within a condo complex. One of a few units within this 20 condo complex that feature private patios overlooking the Pacific Ocean, a undeveloped canyon full of wildlife, a private pool and separate parking area. The condo is located in a very quiet and serene setting and has killer ocean/mountain/jungle views complemented with it's own private pool. This condo went through a complete gut remodel less than a year ago which includes all new tile throughout, solid wood kitchen cabinets w/ quartz countertops, appliances, light fixtures, cove/base/arch door moldings, paint, furniture, beds, Samsung TV's, patio set, remote control fans w/ lights, mini-split AC's, etc.
